Dear Grandpa,

On behalf of our Big Brothers, Little Brothers and their moms, I would like to thank you for a great Big Brothers Annual Picnic this past Saturday.

We have had several phone calls to the office during the week commending you on such a wonderful event! They raved about how well organized the day was, how the food was great, the staff was so nice and grandpa was amazing!

The considerable effort and expense on your behalf to provide such an enjoyable event is greatly appreciated by all of us.

Sincerely,

Robert A. Grossi
Executive Director
