Dear Grampa;

I just wanted to drop you a line to say thanks, to you and your team, for making our company picnic an excellent success this year. The response that I've received has all been positive.

Your planned activities kept our entire group entertained for the full duration of the day & as the social convener for the picnic, I certainly appreciated being able to enjoy the day with my family, rather than organizing the days events.

I think that you have a really great idea in running these picnics and I would highly recommend your facility to anyone that asked.

Best Regards,
