Dear Barry:

We would just like to take a moment to express sincere appreciation for the instrumental part you and your staff played in making our CSA/Emba Summer Event a day to remember.

It seems that all involved enjoyed your wide variety of activities and entertainment (the magic show was great).

There's no denying the little ones apparently enjoyed the water gun battle zone (particularly on this 30 degree day) and of course made good use of both the sand hill and barn activities.

No one could complain about your scheduling -- it kept us all interested and involved, -- after all who would ignore the many opportunities you presented to win a prize or a "First Place" ribbon.

The last hayride was definitely a "hit" - The perfect chance for a 'Re-Kindling' of a lot of personal kinsmanship through laughs and discussions of the days activities. It seems that everyone came away - A Winner.

Looking forward to more future get togethers.

We thank you,

Marsha Kennedy
