Dear Grandpa:

I am writing to thank you for making Lexmark's third annual company picnic such an enjoyable event! Despite the incessant rain that day, we had a great turnout and everyone had lots of fun. I would especially like to thank you for bringing our party indoors for your famous magic show, compliments of Magic Hill, because of the weather

For the second year in a row, you and your staff did an outstanding job of entertaining and catering for our employees and their families. I am enclosing some pictures that were taken at our picnic, that I think you will enjoy.

I hope to see you again next year.

Sincerely,

Eva Manski
