Dear Grampa and Debbie:

On behalf of the Starlight Children's Foundation, I would like to send you both a great big thank you for your kindness and generosity towards everyone at this year's picnic.

Each and every one of us had a super time exploring, swimming, making crafts, filling up on a great BBQ or relaxing at the magic show. No one ever seems to tire of the wagon rides and it was an extra special experience for some of the children.

Your staff, as usual, are so helpful – always thinking one step ahead of me. We enjoyed coming back for our 3rd year and thank you both for always making the day such a friendly and memorable one.

Have a wonderful fall and very “spooky” Halloween celebration.

With warmest regards,

STARLIGHT CHILDREN'S FOUNDATION
