Debbie,

Our sincere thanx to you and the staff in hosting our party yesterday. Your smiles and enthusiasm are contagious! We cannot say enough on how kind the staff is, how well organized the party was and the variety of entertainment offered. Magic Hill Farm has certainly earned high praise from us. We will not hesitate to recommend you to others.

On another note, one of the staff left behind a big blue bag with towels etc. in it and a blue lunch bag with fruit in it. Did anyone find it?

Thanx again.

Debbie
